

Una cucina con anta a telaio caratterizzata da un design moderno, che può essere interpretata in una unione perfetta di suggestioni romantiche e tratti minimali. Le essenze sono le più attuali, nelle calde tonalità dei Roveri, dei Frassini e del Noce. Una palette di colori tenui o brillanti, lucidi ed opachi che, abbinata alle ante lisce o decorate, rende Gallery capace di esprimere tutta la sua versatilità. Una rivisitazione moderna di tradizioni antiche per l'anta con la maniglia integrata e la presa stondata, che caratterizza la linea trasformandosi in elemento decorativo, intercambiabile con diversi tipi di maniglie a seconda delle preferenze. Gallery, una cucina senza tempo.

A kitchen with framed doors and a modern design that manages to create a perfect blend of romantic charm and minimal lines. The contemporary wood types are available in warm tones of oak, ash and walnut. Gallery's versatility is expressed by its palette of soft and bright colours available in matt and glossy finishes and with smooth or decorated doors. It represents a modern re-interpretation of old traditions such as the built-in handles with rounded grip; these characterise the shape of the doors and become decorative elements that can be combined with different handles based on your preferences. Gallery, a timeless

## LUBE ECOLOGIC

IL GRUPPO LUBE HA SCELTO DI UTILIZZARE PER I COMPONENTI COSTITUENTI LE STRUTTURE DELLE CUCINE SOLO MATERIALE A BASSISSIMA EMISSIONE DI FORMALDEIDE: CONFORMI ALLO STANDARD F4STELLE SECONDO LA NORMA JIS, CERTIFICATO DAL MINISTERO GIAPPONESE, IL PIU' SEVERO IN MERITO ALLE NORMATIVE DI SALVAGUARDIA AMBIENTALE.

Regarding the production of its kitchen structure components, lube group has decided to only use materials featuring very low formaldehyde emissions complying with the 4-star standard, as defined by the jis regulation. This standard is certified by the japanese government-the most rigorous when it comes to environmental protection.
